

Spectraknight High Performance Cut-Resistant Glove

Product description

This glove series provides durable hand protection and supreme cut resistance, without sacrificing dexterity. These 13 gauge gloves are made from a knit of Spectra, polyamide, composite fibre and elasthane, and offers a polyurethane coated palm and fingertips for increased grip, cut, puncture and abrasion resistance.

FEATURES

- Seamless knit construction eliminates uncomfortable seams that can rub, tear or chafe.
- Open back configuration provides superior ventilation.
- Ergonomically correct design conforms snugly to the natural shape of the hand, increasing comfort and reducing hand fatigue.
- Colour coded edge allows for easy sorting after laundering.
- Polyurethane palm provides cut, puncture and outstanding abrasion resistance.
- Made with a patented dipping process which provides superior fit, dexterity and durability.

APPLICATIONS

- Construction
- Recycling
- Lumber and mill work
- Glass handling
- Sanitation
- Metal Sheet handling
- Automotive Sub Assembly
- Landscaping
- Paper Treatment
