

# Hypershock™

## Product description

Hypershock™ eyewear delivers the ultimate combination of high-performance protection and aggressive sport inspired styling. The full frame design offers medium impact protection, with streamlined padded temples and a moulded nosepiece for a secure, comfortable fit.

## FEATURES

- Provides a high level of comfort and exceptional fit whilst delivering high performance protection
- Rugged design with a clear Ice frame on clear lens options and espresso frame on espresso lens options, offering a stylish look workers will want to wear
- 100% dielectric. Can be worn in environments where accidental exposure to electrical charge is possible
- Hypershock™ polarised lens option enhances fine detail and deep colours while reducing the oriented light that causes glare- minimising eye fatigue, strain and discomfort

## Technical Details

VLT CLEAR:	92% (Blocks 8% of visible light)
VLT Espresso:	17% (Blocks 83% of visible light)
VLT Espresso Polarised:	14% (Blocks 86% of visible light)
