

Chill™

Product description

It can be difficult to protect workers while staying within a tight budget. Often, saving money means you have to sacrifice fit and comfort. With Chill safety eyewear, you won't have to compromise.

Simplify your budget and compliance goals with the comfortable and affordable Chill from Honeywell Safety Products. It will shift your expectations for budget-friendly safety.

FEATURES

- Weighs less than one ounce (25.2 grams) for lightweight comfort.
- Flexible temples provide just the right amount of tension to comfortably keep eyewear in place
- Comfort-molded nosepiece fits most wearers without obscuring vision
- Wrap-around 9-base curve lens offers a close fit with excellent side protection
- Anti-scratch hardcoat extends the life of the lens for longer wear
- Anti-fog coating, available in clear and grey tints, helps keep lenses clear in humid or extreme environments
- All lenses provide 99.9% UV protection

Standards

Certified to AS/NZS 1337.1 : 2010 Medium Impact Lic 02742
