

EnviroSmart's range of Oil and Fuel (Hydrocarbon) Spill Kits contain highly effective products that will absorb hydrocarbon based liquids including oil, fuel, solvent and grease.

The 80L Spill Kit includes premium quality 100% polypropylene 1.2m socks, pillow and pads. Being hydrophobic, (repel water) they can also be utilised for removing hydrocarbons from the water surface.

SpillSmart products meet EnviroSmart's strict quality control standards together with EPA leachate standards for disposal to landfill.

Our Spill Kits can also be customised to suit the specific requirements for spills most likely to occur in your and your customers work environment. Please contact EnviroSmart to discuss any tailor-made solutions you may require.
